

COMPANY DETAILS

Device Purchase Invoice Number:

INV-10123

Cyber Essentials Certificate Number:

b3a96208-d2ea-4e64-9eb3-#####

CoC Check:

CoC Certificate No. 12983745

Calibration Check & Proof:

Calibration Certificate Number: 1234978347 – tested against
ITS-90 Standard.

DEVICE DETAILS

Device Manufacturer:

Netvox

Device Model:

R712a

Device Firmware:

v1.1

Device Configuration:

Configured for 20-minute sampling frequency with 60-minute
upload. Alarm set to any change of $\pm 4^{\circ}\text{C}$

Device Serial Number:

A840414311#####

Intended Deployment Location & Altitude for Device:

2m AGL outside a client cattle shed.

DATA STORAGE

Metric Parameter Recorded:

Temperature & Humidity

Data Storage Location:

Time-series Database

Data Processing:

Offset Applied before record saved in cloud.

DATA SECURITY

Device Data Storage Security Method:

Device Transmission secured via AES. No local storage of data.

Cloud Data Storage Security Method:

Database secured credentials

DATA INTERFACE

Data Interface:

User Dashboard system.

Interface Credentials:

Username: *User* Password: *password*
